

# Simon Townshend, Barriers

If I could move you  
in the way you move me  
If I could take you  
in the way you're taking me  
If I could I would  
If I could break down  
the barriers you're building  
If I could break down  
the barriers you're building  
Baby I'm gonna  
Break down the barriers  
Break down the barriers  
Unlike the teacher  
I will not stand too firm  
Time is the preacher  
and though I've lived  
I still can learn  
If I could I would  
If I could break down  
the barriers you're building  
If I could break down  
the barriers you're building  
Well baby I'm gonna  
Break down the barriers  
Break down the barriers  
If all you do is run  
to the things you've done  
All you do is hide  
the seeker will not find  
I would lie for you  
and I would die for you  
But cause you  
never hear me say  
My love just like your wall  
Will build up and build up  
and crash down in the end  
I'm gonna break down  
I'm gonna break down  
If I could break down  
the barriers you're building  
If I could break down  
the barriers you're building  
Baby I'm gonna  
Break down the barriers  
Break down the barriers
