

# Simon Townshend, Blind As A Bat

Nobody's gonna wake me from my dream  
Nobody's gonna take it away from me, yeah  
Like my room real dirty, like my mind, I get by it won't hurt me  
'Cause I know that someday soon I'll come through  
I've been sitting in the corner as blind as a bat, blind cause that's where I'm at  
I'm sitting in the corner with my cricket bat, I'm blind, blind, blind.. Blind as a bat  
So baby when you come round to my house,  
Take a look and tell me if this is me, yeah,  
Like my life ain't pretty, it suits me, being late never hurt me  
'Cause I know that someday now I'll come round, yeah  
Sitting in the corner blind as a bat, blind blind blind cause that's where I'm at  
I'm sitting in the corner with my wicked hat  
I'm wide eyed blind, blind, blind as a bat  
I'm loading up the tears again, mothering baby  
Loading up the years again I must be crazy  
Cause I'm blind, yeah I'm blind, being blind won't hurt me  
Cause I know  
That someday soon I'll come through, yeah  
Sitting in the corner blind as a bat wide-eyed blind  
As a bat I'm sitting in the corner in my stupid hat  
I'm wide eyed blind, I'm blind. Blind as a bat  
That's where it's at, I'm blind  
In my stupid hat, I'm blind
