

Simon Townshend, Naked

Love to see you naked on my wall
Love to see you naked and then fall, that's all
I'll be there baby when you're down I'll be there to take it
There's no doubt some how
I'm gonna get through to you
I'm gonna get through to you
I'm gonna get through to you
I never thought that I'd be happy
Love to see you naked on my wall
Love to see you naked and then fall, that's all
I'll be there baby when you're down I'll be there to take it
There's no doubt some how
I'm gonna get through to you
I'm gonna get through to you
I'm gonna get through to you
I never thought I'd be happy to see you fall
I never thought I could be so happy to see you fall
So happy to see you fall
Love to see you naked on my wall
Love to see you naked and then fall oh that's all
I'm gonna get through to you
I'm gonna get through to you
I'm gonna get through to you
Said, I'm gonna get through
I'm gonna get through
I'm gonna get through
I said, I'm gonna get through to you
