Simon Webbe, Ashamed

Is there something wrong tonight Or am i being paranoid I guess I might have had A little too much to drink I wonder who she's talking to Cos I'm about to act the fool I smell something cooking and I don't know what to think

[Bridge:]
What's going on?
I don't know whose right or wrong
Yeah, Tell me babe
It looks like you've been crying
What did he say before he walked away
Maybe I was outta line thinking you
were flirting with another guy...

[Chorus:]
I realise that we all can make mistakes
And I'll do whatever it takes babe
(you know I'd do anything for you)
I don't know if I could stand the pain
If you'd taken your love away babe
If you asked me now I guess I feel
Ashamed

Ashamed, Ashamed, Ashamed

I didn't mean to cause a fight Cross my heart and hope to die I guess I'm terrified of the thought Of losing you You say he's just a friend But I don't think it's true Once upon a time it would never have crossed my mind

[Bridge / Chorus]

Ashamed, Ashamed [repeat]

[Chorus (repeat)]
