

Simon Wilcox, Mommies & Daddies

Give me another
Public rejection
These ladies can't handle
My sugar perfection

They can dis me all day
All the way up & down this block
But cheap talk is just cheap talk
Cheap talk is just that cheap talk

Chorus:
And all the Daddies in the house
See they callin' callin'
And all the Mommies in the house
They'll be comin' crawlin

Ever since I was a lonely little girl
I could con a pig for his pearl
And dig down deeper than that
I could rob you with my hands tied behind my back
(repeat)
