

# Simone Egeriis, Whatcha gonna do

Trying to get close.  
Closer to you.  
Closer to a star.  
That is what you are.  
I saw you smile.  
Was that smile for me?  
Smile again.  
Uh boy I'm melting.  
Uh uh baby  
Whatcha gonna do?  
Whatcha whatcha gonna do?  
Whatcha gonna do  
about me?  
Uh you drive me crazy.  
Whatcha gonna do?  
Whatcha whatcha gonna do?  
Whatcha gonna do  
about me?  
Whatcha waiting for.  
You're waiting for me.  
Don't be shy.  
You're my favourite guy.  
What I'm waiting for  
Is waiting for your call.  
Waiting for my man.  
To come and take my hand.  
Uh uh baby  
Whatcha gonna do?  
Whatcha whatcha gonna do?  
Whatcha gonna do  
about me?  
Uh you drive me crazy.  
Whatcha gonna do?  
Whatcha whatcha gonna do?  
Whatcha gonna do  
about me?  
I can't help myself.  
I gotta get close to you.  
There is no one else.  
Whatcha whatcha gonna do?  
Uh uh baby  
Whatcha gonna do?  
Whatcha whatcha gonna do?  
Whatcha gonna do  
about me?  
Uh you drive me crazy.  
Whatcha gonna do?  
Whatcha whatcha gonna do?  
Whatcha gonna do  
about me?  
Uh uh baby  
Whatcha gonna do?  
Whatcha whatcha gonna do?  
Whatcha gonna do  
about me?  
Uh you drive me crazy.  
Whatcha gonna do?  
Whatcha whatcha gonna do?  
Whatcha gonna do  
about me?  
Whatcha whatcha gonna do?  
Oh baby I'm waiting for you.  
Whatcha gonna do?  
Tell me

whatcha gonna do?  
Whatcha gonna do?
