

# Simple Minds, Garden Of Hate

Oh I only had enough of you  
Oh I did not ask for nothing else  
But you've gone and found a one-way out  
I stand here by myself  
Oh I see a man he's got a broken arm  
I don't know if I care  
Follow him into the garden of hate  
Everybody's going to be there  
It's been some time since I last saw you  
Can somebody here please tell me why  
So many things I just don't understand

No matter how I try  
A girl I know got quite cut up one night  
I don't know if I care  
She was in my garden of hate  
So many others are there

Garden of hate  
Ha Haha garden of hate  
Garden of hate  
Ha haha garden of hate
