

# Simple Plan, Anything (Demo)

These days I can't help but wonder why  
I stick to my illusions to carry on  
I'm so ashamed to dream of you  
It's just that your out of the game

How I wish that someday  
I could belong to your life  
Really wish that someday  
You'd just take me away

I'd do anything to hold you in my arms  
You look at me, you laugh  
Somehow I can't put you in the past  
I'd do anything to fall asleep with you  
I know I'm not that cool, so maybe I should just forget you

And now you set your eyes on me  
I turn myself around to see  
When your eyes meet mine you'll say  
Sorry, then you'll look away

How I wish that someday  
I could belong to your life  
Really wish that someday  
You'd just take me away, Yeah

I'd do anything to hold you in my arms  
You look at me, you laugh  
But somehow I can't put you in the past  
I'd do anything to fall asleep with you  
I know I'm not that cool, so maybe I should just forget you

I close my eyes  
There's nothin' I can do to get you  
You're on your own

I'd do anything to hold you in my arms  
You look at me, you laugh  
But somehow I can't put you in the past  
I'd do anything to fall asleep with you  
I know I'm not that cool, not that cool

I'd do anything to fall asleep with you  
I'd do anything there's nothin' I won't do  
I'd do anything I know you'll never feel the same way too
