

# Simple Plan, Baby

One day I woke up,  
realized that im not who I was anymore.  
Then the next day I woke up,  
and found myself back then.

Chorus:

Why, oh why baby  
do you have to do this to me?  
Why, oh why baby  
does this always happen to me?  
You always break my heart  
but I always happen to go back to you  
I dont know baby,  
I dont

One week later I woke up and  
realized that there was nobody left from me  
That is why I need you baby,  
I need you, I need you, I want you baby.

Chorus(X2)

This cant happen anymore.  
You cant leave me anymore  
My heart cant break anymore

Chorus
