

Simple Plan, First Date

You tell stories
With your fake-ass backstage pass
20 phony cards
The game is set at last
I stay up so late
Lyin' again to hook up with a date
Braggin' about a guitar
Maybe if I drive a nice car
Half the first date's always tough
I'm all outta luck
Guess I'll never be the one
Half a first date's always tough
Am I good enough?
Guess I'll never be the one
Walk out the very next day
Feelin' even worse then yesterday
I go rent a movie
Sounds more fun then goin' out
You were workin' that night
I wore an old shirt
You were lookin' great in that beautiful skirt
You were so sweet
Somehow it all felt right
It all felt right
She said I don't care what you wear
As long as you're there
She said I don't care what you'll be
She's takin' over me
She said I don't care what you wear
As long as you're there
Half a first date's always tough
I'm all outta luck
Guess I'll never be the one
Well half a first date's always tough
Am I good enough?
Guess I'll never be the one
This first date didn't suck today
It's my lucky day
This time maybe I'll be the one
This first date didn't suck today
It's my lucky day
This time maybe I'll be the one
This time maybe I'll be the one
