

# Simple Plan, Generation

(Listen!)  
(Ohh...whoa...)  
(Whoa...ohh...)

I'm sick of all this waiting  
And people telling me what I should be  
What if I'm not so crazy?  
Maybe you're the one who's wrong, not me  
So what you gonna do?  
What you gonna say?  
When we're standing on top and do it our way  
You say we got no future  
You're living in the past  
So listen up, that's my generation

(hey ho, let's go!)  
It's going down tonight  
(hey ho, let's go!)  
We're gonna do it till we die  
(hey ho, let's go!)  
'Cause I, I, I got no reason to apologize  
That's my generation

(Ohh...whoa...)  
(Whoa...ohh...)

I don't need to say I'm sorry  
I do what everybody wants to do  
It's not so complicated  
'Cause I know you want the same thing too  
So what you gonna do?  
What you gonna say?  
When we're standing on top and do it our way  
You say we got no future  
You're living in the past  
So listen up, that's my generation

(hey ho, let's go!)  
It's going down tonight  
(hey ho, let's go!)  
We're gonna do it till we die  
(hey ho, let's go!)  
'Cause I, I, I got no reason to apologize  
That's my generation
