

Simple Plan, Hate

Chorus

Do you ever feel like
everyone hates you?
do you ever feel like
you'd rather be dead?
Well here are a few words:
you're not alone

Verse 1

Because whether you live or die
it's always going to be the same

so open up your eyes and see
that you're not the only one for me

Verse 2

I really love you
and you know that it's true
but you've treated me like dirt
but I've still loved you

Oh Yeah
