

Simple Plan, I Can Wait Forever

You look so beautiful today
When you're sitting there
It's hard for me to look away
So I try to find the words that I could say
I know distance doesn't matter
But you feel so far away

And I can't lie
But every time I leave my heart turns grey
And I wanna come back home to see your face tonight
Cause I just can't take it

Another day without you with me
Is like a blade it cuts right through me
But I can wait... I can wait forever

When you call my heart stops beating
And when you're gone it won't stop bleeding
And I can wait... I can wait forever

You look so beautiful today
It's like every time I turn around
I see your face
The thing I miss the most is
Waking up next to you
When I look into your eyes
Man, I wish that I could stay

And I can't lie
But every time I leave my heart turns grey
And I wanna come back home to see your face tonight
Cause I just can't take it

Another day without you with me
Is like a blade it cuts right through me
But I can wait... I can wait forever (I can wait forever)

When you call my heart stops beating
And when you're gone it won't stop bleeding
And I can wait (I can wait)... I can wait (I can wait)... I can wait forever

I know it feels like forever (like forever)
I guess that's just the price I gotta pay
When I come back home
To feel your touch makes it better (makes it better)
Until that day there's nothing else that I can do
And I just can't take it (I just can't take it)

Another day without you with me
Is like a blade it cuts right through me
But I can wait (I can wait)... I can wait forever (I can wait forever)

When you call my heart stops beating
And when you're gone it won't stop bleeding
And I can wait (I can wait)... I can wait (I can wait)... I can wait forever
I can wait forever
I can wait forever

I can wait forever
I can wait forever
I can wait forever
