

# Simple Plan, Iconic (feat. Jax)

I'm gonna be iconic, yeah  
Na na na na na na na na  
I'm gonna be iconic

Say you wanna make it on your own  
It's nothing but a fantasy  
Maybe you should grow up, let it go  
Woah, woah  
You're never gonna win, just go back home  
Back to reality  
Give it up kid, it isn't in your bones  
Woah, woah

I'll remember every word they say  
It's only pouring gas on the flame

They say I'll never leave a legacy  
But one day you're gonna see the best of me  
Make no mistake  
Whatever it takes

Knocked down, the story of a champion  
Next round, I'll never be the same again  
Wait 'til you see  
I'm gonna be iconic, yeah  
Na na na na na na na na  
I'm gonna be iconic

If I had a dime for every time  
Someone in a suit said I should try  
To look a little more like Britney  
Sing a little more like Whitney  
I'd be  
Richer than Besos and Buffet combined  
But I'd rather eat Cup O Noodles and cry  
Speaking the words that are mine  
'Cause Whit is the shit  
And Brit is the shit  
'Cause they don't give a shit about trying to fit

I'll remember every word they say  
It's only pouring gas on the flame

They say I'll never leave a legacy  
But one day you're gonna see the best of me  
Make no mistake  
Whatever it takes

Knocked down, the story of a champion  
Next round, I'll never be the same again  
Wait 'til you see  
I'm gonna be iconic, yeah  
Na na na na na na na na  
I'm gonna be iconic

They say I'll never leave a legacy  
But one day you're gonna see the best of me  
Wait 'til you see  
I'm gonna be iconic

They say I'll never leave a legacy  
But one day you're gonna see the best of me  
Make no mistake (Make no mistake)  
Whatever it takes (Whatever it takes)

Knocked down, the story of a champion  
Next round, I'll never be the same again  
Wait 'til you see  
My legacy, so clear to me  
I'm gonna be iconic, yeah  
Na na na na na na na  
Iconic  
I'm gonna be iconic
