

# Simple Plan, My Alien

I'm sick of being alone, when are you coming home?  
Just a glimpse of your face  
I can remember smelling your hair, I'll meet you anywhere  
Somewhere that no one can retrace  
Somewhere where nobody will know our faces

[Chorus]  
She has two arms to hold me  
Four legs to wrap around me  
She's not your typical girlfriend  
She's my alien  
My alien

She knows when something is wrong, when something doesn't belong  
She can read in my mind  
And she can be assured that with me, there is no conspiracy  
She's not wasting her time  
She can take me to the place that she calls home,  
in a spaceship that will someday be my own  
Please take me to your leader  
Tell her I will surrender  
I will surrender

[Chorus]  
My alien [repeat 4x]

[Chorus 2x]  
I bought the astronaut's kit  
Now all I need is a rocket  
My love, intergalactic friend  
She's my alien
