

# Simple Plan, The Worst Day Ever

It's 6 AM  
The clock is ringing  
I need to spend  
An hour snoozing  
'Coz I don't think I'm gonna make it  
I punch in  
I'm still sleeping  
Watch the clock  
But it's not moving  
Cause everyday is never ending  
I need to work I'm always spending

And I feel like I'm living the worst day over and over again  
And I feel like the summer is leaving again  
I feel like I'm living the worst day  
I feel like you're gone  
And every day is the worst day ever

Yesterday was the worst day ever  
And tomorrow won't be better  
It's history repeating on and on  
Summer plans are gone forever  
I'd trade them in for dishpan water  
And everyday is never ending  
I need to work I'm always spending

And I feel like I'm living the worst day over and over again  
And I feel like the summer is leaving again  
I feel like I'm living the worst day  
I feel like you're gone  
And every day is the worst day ever

Whoa every day is the worst day ever

It's so long  
I can't go on  
It's so long  
I can't go on

And I feel like I'm living the worst day over and over again  
And I feel like the summer is leaving again  
I feel like I'm living the worst day  
I feel like you're gone  
And every day is the worst day ever

Whoa every day is the worst day ever  
Oh whoa oh is the worst day ever (3x)
