

Simple Plan, When I'm With You

I'm taking my time
I'm trying to leave the memories of you behind
I'm gonna be fine
As soon as I get your picture right out of my mind

[Chorus]

I wanna feel the way you make me feel when I'm with you
I wanna be the only hand, you need to hold on to
But everytime I call you don't have time
I guess I'll never get to call you mine

You're nothing at all, I know theres a million reasons
why I shouldn't call
With nothing to say, could easily make this
conversation last all day

[Chorus]

Another lesson I didn't get to learn
Your my obsession
I've got nowhere to turn

[Chorus 2x]
