

Simplified, Home

Feeling thin, in my skin,
But I'm on my way, I'm on my way
Gone without, what it's about
But I'm on my way, I'm on my way

Think of all the times
That I've been through,
Hard shit but I didn't have you,
So hard to keep in line and I'm,
I'm free but doing time,
Don't know what your looking for,
Don't know what I've got in store,
But I'm on my way,
I'm on my way,

And I feel like she loves,
Loves me, loves me,
Not a care with these,
Grey skies above me,
Her love rains down on me,
And I feel home,
I feel at home,

Never thought I would be the one who,
Found someone to make me feel like you do,
It's true I dreamed of you,
An you came in right on cue,
Don't know what it's all about,
But I'm running like an open spout,
I'm on my way, I'm on my way
