

# Simplified, Something Bigger

Can't you feel how it pulls you, yeah  
How it rises above,  
Don't you feel a part of,  
Something bigger than us,  
Let's go run and play,  
There's nothing left to say,  
We're gonna rise above,  
Don't you feel a part of something,  
Oh so much bigger than us,

Been feeling low down,  
So close to broke down,  
So we had to get up,  
A get on and get out,  
Without a sound,  
The sun is shining and the good times are calling me,  
So much for us to find,  
So much for us to see,

You can't buy this,  
It's just a feeling,  
Her bodies moving,  
Got me reeling,  
Good times,  
Good friends,  
And your,  
Your good loving,  
You can't buy this my friend cause it's something for free,

Long time,  
It's a long time,  
It's been slow,  
So hard to keep up,  
Hard to roll on with the flow,  
So much has changed and I feel it falling away,  
But we're still together,  
We're riding on that wave,

You can't buy this,  
It's just a feeling,  
Her bodies moving,  
Got me reeling,  
Good times,  
Good friends,  
And your,  
Your good loving,  
You can't buy this my friend cause it's something for free,

It's not time to go no,  
It's not,  
It's not time to go,  
We're just getting started,  
Like this forever more,  
May the good times never end and the bad times never come,  
With a little luck,  
We all will get us some,

You can't buy this,  
It's just a feeling,  
Her bodies moving,  
Got me reeling,  
Good times,  
Good friends,  
And your,

Your good loving,  
You can't buy this my friend cause it's something for free,

Can't you feel how it pulls you,  
How it rises above,  
Don't you feel a part of,  
Something bigger than us,  
Lets go run and play,  
There's nothing left to say,  
We're gonna rise above,  
Don't you feel a part of something,  
Oh so much bigger than us,  
Don't you feel a part of something,  
Oh so much bigger than us,  
Don't you feel a part of something,  
Oh so much bigger than us
