Simply Red, Enough

Alright, you're right
Let's talk it over now
Talk it over now
I'm wrong, you're gone
So you're serious
Really serious
You're saying I'm insane
Oh that craziness
Craziness
I'm trying to find
Its real meaning
Insanity

When I get home again Everything we said It seemed to holds us Back again, again When I get home then We try to make it better In the same Damn way again, again

So long, you're gone
You're really leaving me, leaving
There's no prize for goodbyes
No joy either, either
You're saying I'm insane
Oh that's craziness
Craziness
I'm trying to find
Its real meaning
Insanity

When I get home again Everything we said It seemed to hold us Back again, again When I get home then We try to make it better In the same Damn way again, again

Enough I've had enough Oh I'm leaving
