Simply Red, Just Like You

Utwór 'Just Like You' z albumu 'Time' od Simply Red (premiera 26 maja 2023r.)

I don't know why, I see the birds up in a blue sky but I do. I don't know why, you say you love me in the way you say you do.

But I know why I love, Yes I know why my Love

Why? It's all because of human beings just like you. Just like you. Why? It's all because of human beings just like you. Just like you.

What do I spy? the hidden evil that is lying takes you to. Why do I cry? when I tremble at loving kindness shining through.

But I know why I love, Yes I know why my Love

Why? It's all because of human beings just like you. Just like you. Why? It's all because of human beings just like you. Just like you.

But I know why I love, (because of you). But I know why I love, (because of you).

Why? Just like you. Why? It's all because of human beings just like you. Just like you...
