

# Simply Red, Wave The Old World Goodbye

Wave the Old World goodbye  
It's time to say hello to the New World  
Praying it will be right  
That the world may soon see the light  
I'll be waving, oh waving  
And I'll be waiting...

Sure the old folks have tried  
But now it's time for us in the New World  
Pray that it will be right  
That the earth don't turn out the lights

Wave the Old World goodbye  
It's time to say 'goodnight' to the Old World  
Let's pray that it will be right  
So the world will soon see the light

I'll be waving, oh waving  
And I'll be waiting, oh waiting this night

It's time to say 'goodnight' to the Old World  
It's time to say 'hello' to the New World  
And wave the Old World goodbye....

I'll be waving, oh waving  
And I'll be waiting, oh waiting this night

It's time to say 'goodnight' to the Old World  
Time to say to say 'hello' to the New World  
And wave the Old World goodbye... tonight
