

# Sinead O'Connor, Almost In Your Arms

You're near, that moment's here  
I'm almost in your arms  
Tonight, the mood is right  
I'm almost in your arms

One sigh, one word and I  
Will rush to your embrace  
Say that certain word,  
Sigh that certain sigh  
And with all my heart,  
To your arms I'll fly

It's strange,  
How we are changed  
By the things that seem so small  
One look can write a book  
One touch can say it all

We know those nights of love  
And now we found our way  
I'm almost in your arms  
To stay

You're near, that moment's here  
I'm almost in your arms  
Tonight, the mood is right  
I'm almost in your arms

One sigh, one word and I  
Will rush to your embrace  
Say that certain word,  
Sigh that certain sigh  
And with all my heart,  
To your arms I'll fly

It's strange,  
How we are changed  
By the things that seem so small  
One look can write a book  
One touch can say it all

We know those nights of love  
And now we found our way  
I'm almost in your arms  
Almost in your arms  
Almost in your arms  
To stay
