

Sinead O' Connor, Do Right Woman, Do Right Man

Take me to heart and I'll always love you
And nobody can make me do wrong
Take me for granted leaving love unshown
Makes will power weak and temptation strong

A woman's only human
This you should understand
She's not just a plaything
She needs love
Just like her man

So if you want a do right all day woman
You've got to be a do right all night man

A woman's only human
This you should understand
She's not just a plaything
She needs love
Just like her man

So if you want a do right all day woman
You've got to be a do right all night man
You've got to be a do right all night man
You've got to be a do right all night man
You've got to be a do right all night man
