

# Sinead O'Connor, Feel So Different

God grant me the serenity to accept the things I can not change  
Courage to change the things I can  
And the wisdom to know the difference

I am not like I was before  
I thought that nothing would change me  
I was not listening anymore  
Still you continued to affect me

I was not thinking anymore  
Although I said I still was  
I'd said "I don't want any more";  
Because of bad experience

But now I feel so different  
I feel so different  
I feel so different

I have not seen freedom before  
And I did not expect to  
Don't let me forget now I'm here  
Help me to help you to behold you

I started off with many friends  
And we spent a long time talking  
I thought they meant every word they said  
But like everyone else they were stalling

And now they seem so different  
They seem so different  
They seem so different

I should have hatred for you  
But I do not have any  
And I have always loved you  
Oh you have taught me plenty

The whole time I'd never seen  
All you had spread before me  
The whole time I'd never seen  
All I'd need was inside me

Now I feel so different  
I feel so different  
I feel so different

I feel so different  
I feel so different
