

Sinead O'Connor, Full Circle

Stars were falling deep in the darkness
as prayers rose softly, petals at dawn
And as I listened, your voice seemed so clear
so calmly you were calling your god

Somewhere the sun rose, o'er dunes in the desert
such was the stillness, I ne'er felt before
Was this the question, pulling, pulling, pulling you
in your heart, in your soul, did you find peace there?

Elsewhere a snowfall, the first in the winter
covered the ground as the bells filled the air
You in your robes sang, calling, calling, calling him
in your heart, in your soul, did you find peace there?
in your heart, in your soul, did you find peace there?
