

# Sinead O' Connor, Haunted

do you remember that sunny day?  
somewhere in london in the middle of nowhere  
didn't have nothing to do that day  
didn't wanna do nothing anyway  
you got a way of walking  
you got a way of talking  
and there's something about you  
and now i know i never ever wanna be without you  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
of your precious love  
of your precious love  
first time i saw you standing in the street  
you were so cool you could have put out Vietnam  
all the girls ask "what's he like?"  
i said "he's kind of shy but that's the kind of girl i am  
he's my kind of guy"  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
of your precious love  
of your precious love  
of your precious love  
i've build my world around you  
i'll bless the day i found you  
i'll stay beside you  
i'll never leave or tell you all those  
lies that you'd never believe  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
of your precious love  
of your precious love  
you got a way of walking  
you got a way of talking  
and there's something about you  
that's the kind of girl i am he's my kind of guy  
and now i know i never ever wanna be without you  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
i wanna be haunted by the ghost  
and now i know i never ever wanna be without you
