

# Sinead O'Connor, I Am Enough For Myself

Oh the days are long  
'Til the baby comes  
God will take all fear  
If you say this clear  
I am enough for myself  
I don't need anything else  
I am enough for myself  
I am in your heart  
I only can have that part  
I am in your dreams  
I only can touch these things  
I am who gives the breath  
I am your nakedness  
I am nothing at all  
And I am singing your soul  
I am that am I  
I am that am I  
I am that I am  
I am enough for myself
