

# Sinead O' Connor, If U Ever

The memories u bring  
Make my eyes both sting  
I can't help the pain that's tearing  
At my throat and my chest  
Where everything is kept  
When I start remembering  
How the clothes that u wore  
Made my heart so sore  
I just couldn't think anymore  
Of u once u were gone  
And it's been so long  
I've been carrying on  
And if u ever came home in the night  
Darling I'll treat u right  
Oh, darling I'll treat u right

U got into your car and u drove as far  
As u could and even further  
And no matter how I sang  
I just never can  
Stop needing your hand  
Though I got into my own car and I drove as far  
As I could so that I might forget u  
I never could, does that mean I'm no good  
If it doesn't it should

But if you ever came home in the night  
Darling I'd treat u right  
Oh darling I'd treat u right

If you ever came home in the night  
Darling I'd treat u right  
And darling I'd treat u right
