

# Sinead O'Connor, Kingdom Of Rain

Tell me what you're thinking baby  
You heart's beating faster than mine  
And I know something's going on  
In your life  
Your life  
Your life

You were the girl I wanted to cry with  
You were the girl I wanted to die with

And you were the boy who turned in to the man  
Broke my heart & let go of my hand  
Our bed is empty  
The fire is out  
And all the love we've got to give  
Has all spurted out  
There's no more blood and no more pain  
In our kingdom of rain

You think you know about life  
You think you know about love  
But when you put your hands inside me  
It doesn't even feel like I'm being touched

You were the boy I wanted to cry with  
You were the boy I wanted to die with  
You've moved further from my side  
Year by year  
While still making love  
Dutifully sincere  
But as silent as the car lights  
That move across this room  
As cold as our bodies silhouetted by the moon  
And I would lie awake & wonder  
Is it just me  
Or is this the way that love is supposed to be?

Tell me what you told him baby  
My heart's beating out of time in my mind  
And I know something's going wrong  
In our lives

I just wanted somebody to caress, this damsel in distress.  
I just wanted somebody to undress, this damsel in distress.  
I just wanted somebody to bless, this damsel in distress.  
I just wanted somebody to possess, this young girl

Our bed is empty  
The fire is out  
And all the love we've got to give  
Has all spurted out  
Our bed is empty  
The fire is out  
And all the love we've got to give  
Has all spurted out  
Our bed is empty  
The fire is out  
And all the love we've got to give  
Has all spurted out

There's no more blood and no more pain  
In our kingdom of rain...
