

Single Gun Theory, Metaphysical

I can feel the rapture of spiritual love

thank you, forces of good
thank you, positivity
thank you, joy
thank you, life

as a result of my study in markets and economics I applied...
I applied my predictive techniques to the subject of war.
I formulated a US war clock.
The probabilities are 78% that the US will be involved
in a major military confrontation between 1988 and 1992.

Thank you god
metaphysical love

the day was clear when we dropped that bomb
