Sinisstar, Spaceman

Taking me away Straight down Talking 'bout the way that you fucked me You thought I was sick Look out cause everything the same When I make a sound What do I gotta be To make it happen now Well you're gonna see The rules come crashing down Enter-the Spaceman He's only half a man Enter-the Spaceman He only half a man Like a token black Take up the slack Talking 'bout the way that you used me What do I gotta be To make it happen now Enter-the Spaceman He's only half a man Enter-the Spaceman He only half a man Well you're gonna see The rules come crashing down Enter-the Spaceman He's only half a man Enter-the Spaceman He only half a man

Enter - the spaceman
