

# Sinister, Regarding The Imagery

Regarding the imagery  
I declare war  
To abusers and molesters  
Their soul will burn

regarding the holies  
The circus of faith  
Their vulgar images  
Of death and pleasure

Regarding the imagery  
Decapitated bodies  
Artillery against the saints

Sick-making imagery  
Of child abusers  
Results of celibacy  
Thy father will be condemned

Their conspiracy will end  
Torture their skull  
Beyond recognition  
Burning flesh of the holy father
