Sinner, Masquerade

Down in the old castle out in the swamps Darkness drops all over the land The clock strikes twelve The midnight masked-ball ... is about to begin

Masquearde Living in a masquerade

In the middle of all those people (people) I couldn't believe what I saw Cat's eyes behind a silver mask She was the one ... I was searching for

With her eyes flashing she runs away A stranger grabs me He screams "Just wait and see" But I found the girl, ripped off her silver mask

Ow!

The masquerade
