

Siobhan Donaghy, Styflin'

I find it so stifling
The small place I find I'm in
I gotta know how to hold it down
And I'm gonna keep it together
I find it so hard to sing
This stress you put me in
I wanna know this time around
How you get to play it so clever

Ooh, ooh, ooh
Ooh, ooh, ooh

I find it so crippling
I feel my plan of action
I've gotta know not to to and fro
But when it's best just to learn
I find it so hard to win
Derogative talk come my way
I think I know you this time around
And now you don't seem so clever

"I get a wake-up call
Every time I fall
For you (For you)
Now I'm through
I'll never stand up tall
If my wake-up call is you
Fall soon"

I find it so crippling
I feel my plan of action
I've gotta know not to to and fro
But when it's best just to learn
I find it so hard to win
Derogative talk come my way
I think I know you this time around
And now you don't seem so clever

"I get a wake-up call
Every time I fall
For you (For you)
Now I'm through (Ooh ooh, ooh, ooh)
I'll never stand up tall
If my wake-up call is you (For you)
Fall soon (Ay ay, ay ay ay)"

Won't let me (Won't let me)
Won't let me
Cause I stand back and see
Blame through everything

"I get a wake-up call
Every time I fall
For you (For you)
Now I'm through (Ooh ooh, ooh, ooh)
I'll never stand up tall
If my wake-up call is you (For you)
Fall soon (Ay ay, ay ay ay)

I get a wake-up call
Every time I fall
For you (Won't let me)
Fall soon (Ooh ooh, ooh, ooh)
I'll never stand up tall

If my wake-up call is you (For you)
Fall soon (Ay ay, ay ay ay)'''
