

# Siouxsie and The Banshees, Coal Mind

Two black holes staring  
From deep in the coal mind  
Murder in mind-murder deep in the coal mind  
Aphids and triffids bump mad into earwigs  
Eating their way-through the green brain vegetation

Mutter mutter eyelids wonder  
Twitching in time to troubled slumber

Come mind this coal mine  
Come mine this coal mind  
It's dark in here and it's been a long time  
In need of ignition  
In need of nutrition

There's famine in mind  
There's murder in mind  
Blank sockets squinting from the hot coals  
Scorching  
More holes in the coal mind  
The pit is imploding  
Headlines and hooklines bump  
Blind into lifelines  
Murder in mind- someone throw him a line

O, Madonna medusa  
I spy a loser  
Madonna medusa  
I spy a loser

Ignition nutrition and now ventilation  
A sigh of relief from deep in the coal mind  
Sun blew his roof off-stopped murder in mind

O, Madonna medusa  
I spy a loser

Madonna medusa  
I spy...
