

# Siouxsie and The Banshees, Drifter

Drifter -- sleepwalk  
Drifter -- sleeptalk  
Awake to who is following

Moving -- like water  
Moving -- drifting on the wind  
A drifter coming in  
Then I dreamt that I awoke  
And all around was asleep  
With eyes in the back of my head  
Awake to who is following

... Drifter coming in  
Never touching down -- never leaving ground  
A twilight world in which we roam  
Still we don't belong -- drift on

At daybreak -- we walk  
At daybreak -- we talk  
Ready to tear up the world

Drifter -- sleepwalk  
Drifter -- sleeptalk  
Your everywhere is home  
Yet you never take hold  
Wanting to live everywhere  
Not wanting to live anywhere  
A twilight world in which you roam  
Still you won't belong -- drift on
