## Siouxsie and The Banshees, Drifter

Drifter -- sleepwalk Drifter -- sleeptalk Awake to who is following

Moving -- like water
Moving -- drifting on the wind
A drifter coming in
Then I dreamt that I awoke
And all around was asleep
With eyes in the back of my head
Awake to who is following

... Drifter coming in Never touching down -- never leaving ground A twilight world in which we roam Still we don't belong -- drift on

At daybreak -- we walk At daybreak -- we talk Ready to tear up the world

Drifter -- sleepwalk
Drifter -- sleeptalk
Your everywhere is home
Yet you never take hold
Wanting to live everywhere
Not wanting to live anywhere
A twilight world in which you roam
Still you won't belong -- drift on
