

Siouxsie and The Banshees, Kiss Them For Me

It glittered, and it gleamed
For the arriving beauty queen
A ring, and a car
Now you're the prettiest by far

No party she'd not attend
No invitation she wouldn't send
Transfixed by the inner sound
Of your promise to be found

Nothing or no one
Will ever make me let you down
Kiss them for me, I may be delayed
Kiss them for me, if I am delayed

It's divine, oh it's serene
In the fountain's pink champagne
Someone carving, their devotion
In the heart shaped pool of fame

Nothing or no one
Will ever make me let you down
Kiss them for me, I may be delayed
Kiss them for me, I may find myself delayed

On the road, to New Orleans
A spray of stars hit the screen
As the 10th impact shimmered
The forbidden candles beamed

Kiss them for me, I may be delayed
Kiss them for me, I may find myself delayed

Kiss them for me, I may be delayed
Kiss them for me, I may find myself delayed
