Siouxsie and The Banshees, Lands End

Come take this hand at twilight's door I'll meet you there, we'll share the moonlit floor Through the driving rain, colours run in veins Ozone fills the air, two figures disappear

Come let's take flight, let's quit this scene tonight Whilst they sleep on endless, in their wrecked designs Sleep on endless in your wrecked designs

Moths touched by flame repeat their fatal game Forever and eternally, the cliffs around the crashing sea Unsolved and endless, wait for me

Undulating far below, where lucid waters flow Their faces seem to know...

Where the land falls to an end This hidden tale begins Take a walk with me, down by the sea Take a walk with me Down by the sea
