## Siouxsie and The Banshees, Overground

Got to give up life in this netherworld Got to go up to where the air is stale And live a life of pleasantries Mingle in the modern families

Overground--from abnormality Overboard--for identity Overground--for normality Overboard--for identity

This limbo is no place
To be a digit in another space
In another crowd
I'm nameless bound

Overground--from abnormality Overboard--for identity Overground--for normality Overboard--for identity

Overground--I'll be worse than me Overground--it's clear to me I'll be worse than me
