Siouxsie and The Banshees, Sin In My Heart

Sin in my heart Sin in my heart... Sin in my heart flying like a dart Oh sin in my heart

It's beginning to start...
When you're lying like a tart
Oh sin in my heart
When you grovel at my feet
Oh sin in my heart
It's short and sweet

Sin in my heart... Swift as a dart sin in my heart Oh sin in my heart

When you grovel at my feet Keep it short and sweet Sin in my heart...
