## Siouxsie and The Banshees, This Wheel's On Fir

If your memory serves you well
We were goin' to meet again and wait,
So I'm goin' to unpack all my things
And sit before it gets too late.
No man alive will come to you
With another tale to tell,
But you know that we shall meet again
If your memory serves you well

This wheel's on fire, Rolling down the road, Best notify my next of kin This wheel shall explode!

If your memory serves you well I was goin' to confiscate your lace, And wrap it up in a sailor's knot And hide it in your case If I knew for sure that it was yours But it was oh so hard to tell. But you knew that we would meet again If your memory serves you well.

This wheel's on fire, Rolling down the road, Best notify my next of kin This wheel shall explode!

If your memory serves you well You'll remember you're the one That called on me to call on them To get you your favors done And after every plan had failed And there was nothing more to tell, You knew that we would meet again If your memory served you well.

This wheel's on fire, Rolling down the road, Best notify my next of kin, This wheel shall explode!
