(*sound of beeper going off, appears throughout song*)

(Sir Mix A-Lot) (Operator's voice)

I'm rollin like a Playboy beep, beep, beep

Just another page, just another freak

Cops say I'm bangin, girls say I'm slingin

Just cause my black Cross Courts be hangin

Ah huh, that's it baby

Beep diddy beep, will I call you maybe

Sky Pager looks like a Phaser

That's the attire of a Northwest player

San Jose, I got a show

Chillin like a champ with a girl in a limo

There we go again, I got a beep

The girl got nosy beggin for a peep

Get off me girl, this is business

I'm workin it and you can't witness

A Oakland skeeso, how do I know

Cause 415 was the area code

Turn it off, turn it on, so I won't get busted

You know rap stars never get trusted

Baby wanna get so I put it on vibrate

How does Mix-A-Lot communicate

(Break - Sir Mix-A-Lot) (Operator's voice)

With beepers, baby, haha

But if you ain't got that pin number dummy, you can't call me

To hook up with Mix you gotta call that number

Then sit by the phone and wonder

Will he call? If you're fine I might

If you're a duck (*no dial tone sound*) good night

I got a cellular but you can't have my digits

Motorola beeps and the boy gets with it

Code one, two

(Yo come on black

you gonna tell her about me, what's up with that?)

That's Attitude Adjuster, my homey

Huggin more girls than Bella Karoli

Gettin 'em sprung, bustin 'em out
Rollin up dames, cause he's got that clout
Pullin young females, yank 'em on the stage
One fell prey when she called that page
(*numbers dialing sound*) called his beeper
Sweetie got sprung but he might not keep her
He never called back, so she called me
(Where's Attitude at? He was supposed to meet me)
I don't know but I'm wishin you luck
How does Attitude Adjuster hook up?

Pagers, call 'em what you want
Some brothers some brothers wear fake ones, still tryin to flaunt
Walkin in a party, lookin like Joker
Big ole six inch garage door opener
Not me, cause my bank is set
Three dope Benzos, one Corvette
I'm not braggin or movin them thangs
Just clockin them dollars at the real estate game
(Sky Pager)
Telepage Northwest, satellite service pushed to test
Got a beep from a girl named Natalie
My memory slip, cause I need a new battery
Power on, display light's up
Incoming calls from the girls with butts
Girls call cause they might get lonely
Ha .. I run 'em like ponies
Pick 'em up, put 'em in the Benzo
I get a beep and I leave 'em in limbo
That's right I'm livin like that
What do I keep pinned to the strap

(Break - Sir Mix-A-Lot)
My beeper ...
Beepers ...
Beepers ...
Beepers ...

(Sir Mix-A-Lot)
Oh yeah, girls got 'em too
They keep 'em in their purse, plain and cool
Big players, rollin up fellas
They comin up but they never will tell us
Smooth, ha, I bet you didn't know
The girl you called dumb was clockin your dough
Jackin ball players and never gettin tossed
Done worked every brother on the Seahawks
Yeah, she looks good, but she thinks she's swift
Tryin to pull up on the Mix-A-Lot tip
Sittin in the movie, she stepped out smooth
Oh baby girl, I got one too

(Break - Sir Mix-A-Lot) (Operator's voice)
