

# Sirenia, First We Take Manhattan

They sentenced me to twenty years of boredom  
For trying to change the system from within  
I'm coming now, I'm coming to reward them  
First we take Manhattan, then we take Berlin

I don't like your fashion business mister  
And I don't like these drugs that keep you thin  
I don't like what happened to my sister  
First we take Manhattan, then we take Berlin

I'd really like to live beside you, baby  
I love your body and your spirit and your clothes  
But you see that line there moving through the station?  
I told you, I told you, told you, I was one of those

And I thank you for those items that you sent me  
The monkey and the plywood violin  
I practiced every night, now I'm ready  
First we take Manhattan, then we take Berlin

Then we take Berlin!

Then we take Berlin...
