

Sirenia, The Path To Decay

Life brings nothing for the same
Keep searching new days on the horizon
While time just seems to slip away
Im leaving no trace along the way

Seems like Im falling deeper, deeper inside myself
Feels like Im growing weaker, much weaker each day
Along the path to decay

The lights are fading day by day
No cure for the lost, theres no ascending
When life could not become more pale
A new dawn is here, another day

Seems like Im falling deeper, deeper inside myself
Feels like Im growing weaker, much weaker each day
Along the path to decay

Darkness within myself.

Seems like Im falling deeper, deeper inside myself
Feels like Im growing weaker, much weaker each day
Along the path to decay
