You wanna be with me
You think and dream of me
Come qele, move qele
Instead of watching me
You should be reaching me
Come qele, move qele

Qele, qele
Qele, qele
Qele, qele

Time is reaching height
You should make it right
To end our fight
Just hold me tight
Hold me tight
Hold me tight, qele
You wanna be with me
You think and dream of me
Come qele, move qele
Instead of watching me
You should be reaching me
Come qele, move qele
