

# Sismic Music, It Cant Come Quickly Enough

Sailling through the tunnels  
In the morning by yourself  
There's a very special feeling  
True sensation all is well  
If you stand and reach your arms out wide  
Close your eyes and try to fly  
It's an underground illusion  
Tricking you from side to side  
We knew all the answers  
And we shouted them like anthems  
Anxious and suspicious  
That God knew how much we cheated  
It can't come quickly enough  
And now you've spent your life  
Waiting for this moment  
And when you finally saw it come  
It passed you by and left you so defeated  
Skyscrapers rise between us  
Keeping me from finding you  
If the concrete architecture  
Dissapeared there'd be so few  
Of us left to navigate and  
Defend ourselves from the tide  
It's an underground illusion  
Tricking you from side to side  
There's no indication of  
What we were meant to be  
Sucking up to strangers  
Throwing wishes to the sea  
It can't come quickly enough  
And now you've spent your life  
Waiting for this moment  
And when you finally saw it come  
It passed you by and  
Left you so defeated
