

Sisqo, Incomplete (Tania)

I WILL ALWAYS LOVE YOU BABY GURL

Bright lights, fancy restaurants
Everything in this world that a man could want
I got a bank account bigger than the law should allow
Still I'm alone now
Pretty faces from the covers of a magazine
From their covers to my covers wanna lay with me
Fame and Fortune still can't find,
Just a grown man running out of time

Chorus

And even though it seems I have everything
I don't wanna be a lonely fool
All of the women,
all the expensive cars
All of the money don't amount to you
So I can make believe I have everything
But I can't pretend that I don't see
That without you girl my life is incomplete

xx Verse 2xx

Listen,
Your perfume, your sexy lingerie
Girl I remember it just like it was on yesterday
A Thursday you told me you had fallen in love,
I wasn't sure that I was
It's been a Year-Winter, Summer, Spring and Fall
But being without you
just ain't livin' nothing at all
If I could travel back in time,
I'd relive the days you were mine

xx Chorusxx

And even though it seems i have everything
i dont wanna be a lonely fool
all of the women all the expensive cars.
all the money don't amount to you.
i can make believe i have everything.
but i can't pretend that i dont see
that without you girl my life is incomplete.

xx Bridge xx

i just cant help loving you
but i loved you much too late
i'd give anything and everything
to hear you say that you'll stay.

xx Chorus xx

even though it seems i have everything
i don't wanna be a lonely fool. all of the women .
all the expensive cars. all of the money dont amount to you
(you can have it all)
i can make believe i have everything but i cant pretend
that i dont see.
that without you girl my life is incomplete

Without your girl, without you girl
In my life
Without you girl, my life, my life is incomplete
Without you girl my life is incomplete, oh yeah
My life is incomplete, oh yeah
