

# Sisqo, Without You

(featuring Dru Hill)

intro

dru hill, pajam, without you, def soul

verse1

im free to fly like a bird over the earth far away

seeing where beauty's entailed places

unveiled take me away when

b section

when i envision your eyes you light up the sky

holdin my dreams in a cry

now i feel my hearts been revealed

Chorus

could never see myself without you

dont leave me alone

verse2

soaring from a valley so low to a mountain so high what a life

exploring why your love never grows old

no hug is too tight, this is rite

b section (repeat)

chorus

bridge

i can do without material things

i can do without diamond rings

girl i wont get by

without u by my side

i need u in my life

Close Your Eyes (interlude)

hey...girl

damn i cant believe you did this to me agin

i mean,

yo i dont even i dont really even know what to say to you rite now

i mean...

sisqo you say that you love me you say that you wanna be with me

and then... that you're gunna marry me but i cant do this again you need to

promise me

that were not gunna have to go through this S\*\*\* again i mean yo im tired of

this

i mean...

i need for you to show me that you really wanna be with me

i just want you to love me....
